

THE WORLD'S
SAFEST
SNOW SHOVEL

Clears Away Snow 3 Times Faster Than Shoveling... with Half the Effort and Less Risk of Injury

The Sno Wovel™ / Snow Wolf™ is the safe alternative to shoveling. Now, with virtually no effort, you can throw snow without twisting or lifting. Designed to greatly reduce physical strain and the risks of back and heart injuries associated with shoveling, the Sno Wovel™ / Snow Wolf™ revolutionizes the mechanics of shoveling.

It's Fast. It's Safe. It's Easy.

- * Outperforms snow blowers, without the expense, fumes, maintenance, or noise
- * Anyone can use it
- * Easily adjusts to body size and strength
- * Maneuvers with ease
- * Throws snow exactly where you want it
- * Works well in all snow conditions, without straining, twisting, or lifting
- * Cleans down to the pavement, without harming stonework or landscaping
- * Simple assembly and storage
- * **Highly portable fold-down Sno Wovel™ model available for more convenient storage in small spaces**

Winner of the Best New Product Award at the 2005 National Hardware Show

SNOW SHOVEL

New Folding-Frame Sno Wovel™ Model Offers Convenient Portability and Storage Options

Designed for all sorts of lifestyles, the new Sno Wovel™ folding-frame model makes it more convenient to take the Sno Wovel™ on the road and to store it in tight spots. In addition to its quick-release fold-down frame, its wheel detaches into two halves to reduce its storage footprint even more, making it easy to take along and store.

GET THE MOST OUT OF YOUR SNO WOVEL™ / SNOW WOLF™ WITH THESE HANDY ACCESSORIES:

SNAP-ON WEAR STRIP

Attaches quickly and easily to the front edge of the Sno Wovel™ / Snow Wolf™ blade for maximum blade protection and to extend the life of the blade, especially under intense, frequent use and harsh conditions.

POWDER BLADE ATTACHMENT

Increases the fill capacity of the Sno Wovel™ / Snow Wolf™ blade, for faster and easier clearance of large amounts of powder snow. Made of flexible, durable plastic, it attaches and detaches from the Sno Wovel™ / Snow Wolf™ blade in seconds.

GRAVEL WHEELS

Provides additional clearance between the Sno Wovel™ / Snow Wolf™ blade and the ground for smooth, more efficient maneuvering of snow removal on gravel or uneven pavement. With the Gravel Wheels attached, the Sno Wovel™ / Snow Wolf™ blade glides over loose or bumpy snow-covered pavement.

CHIPPER PLATE

The force of a chipping edge added to the Sno Wovel's™ / Snow Wolf's™ powerful blade action makes it even easier to remove hard-packed snow and ice. Easily attaches to the underside of the blade.

U.S. Patent Nos. D523,710; D525,093; 7,111,418; D543,807; D546,144; and other U.S. and Foreign Patents Pending. MADE IN USA.
